**What are the age limits and/or restrictions?**

Students can perform as few or as many duets with which they are prepared but only within the same group level. (i.e. students from group B2 cannot also audition with pieces from B1).

There are no age restrictions for any of the groups except Group A1 and Group C. Students must be at least 6 years of age to participate in Group A1 and must be at least 13 years of age to participate in Group C.

**Can I choose whether to work Audition Day or not? Can I choose which job I do?**

No! **Every** teacher that has students registered to participate in MPF is required to work Audition Day (this is IN ADDITION to the two required MPF jobs).

You will have a say in which of your two jobs you will do for MPF, but the auditions coordinator will assign you your job for Audition Day.

**I cannot remember which MPF job I signed up for at the September meeting, where can I find out that information?**

I will be posting all MPF jobs (those that have been taken and those that still need a volunteer to sign up) on the BAMTA website as soon as the “Teachers Only” page is up and running. All MPF information will also be posted on my personal website under the “MPF” button. That web address is: [www.lmwpiano.com](http://www.lmwpiano.com).

**I was assigned a job for MPF that I have never had before and have no idea how to do. Please help!**

I will try my best to assign jobs to people who have had them in the past so that they are familiar with how it's done. I will be posting instructions for all of the quirky MPF jobs, like cashier, rehearsal monitor/manager etc., online. I will also be putting experienced BAMTA members in charge of each specific job group. So please look online for instructions or ask the coordinator of your specific job's group for help.

**I was unable to make one of the BAMTA meetings so now I don't know any of the latest MPF information. How do I find this out?**

Again, I will be posting all MPF information/changes/updates on my website and on the teachers only page of the BAMTA website. Please check those two places first before emailing or calling with a question. ***(If you email or call with a question that can be found on the website, you will not receive a response!)***

**My student's family is going on a vacation that they've had scheduled for a long time and will miss Audition Day, what can I do?**

Please check with the conductor of the specific group that your student will be in for MPF and ask if he/she will allow video or audio taped auditions.

**I am a conductor and need to know from where I will be getting my conductor's score?**

As of two years ago, all conductors have been using their own personal music. Special conducting scores will not be made for you.

**If I have a question that has not been answered on this FAQ sheet, who should I contact?**

If your question is regarding AUDITIONS, contact the auditions coordinator. This year it is Heather Hall.

If your question is regarding MPF jobs, scheduling etc., contact the chair person. This year the co-chair is Lacey Wheeler.

If your question is regarding tempo markings or a specific section of a piece, contact the conductor of the group from which the piece in question belongs.

**Will the recordings of each duet be available again this year?**

Yes! Heather Hall has poured more of her blood, sweat, and tears into digitally recording each of the pieces. These recordings will be available on Lacey's website again, and also on the BAMTA website as soon as we can get the MPF section up and running.
