

4th BAMTA Music Festival

The BAMTA sponsored Music Festival is a competitive event which includes judging throughout the day and a winners' recital in the evening. All instrumentalists and vocalists are welcome! In consideration of everyone's busy schedule, participating teachers are not required to be on site during the event. The levels will be Elementary (grades 3-5), Intermediate (6-8) and Advanced (9-12). Students who won in their level last year need to move up a level to compete again, excluding Honorable Mentions. Only winners in the Advanced level can compete again in the same category. Listeners are welcome during the judged events, but please, NO video cameras.
